Discussion Platform

Discussions for better African nursing and health future

What is ANNSI DP?

Discussion Platform is a tool that achieves ANNSI vision and mission through organizing discussion sessions among ANNSI members all over African novice nurses and students to exchange experience in different nursing issues.

Discussion Platform include topics that direct affect nursing profession as “ nursing education systems, nursing empowerment locally and globally, nursing role in achieving SDGs 2030 and Africa Agenda 2063, nursing image improvement.....etc.”

Why shall you join ANNSI DP?

After participation you suspected to be able to:

1. Acquire new knowledge about nursing improvement in different countries
2. Formulate your own point of view and share it with other different countries colleagues in a professional way
3. Build new social and professional relationships with new colleges from other countries
4. Become active part of solution not only part of problems
5. Maintain “promote” your critical thinking skills

Benefits

A map of the African continent is centered in the background, rendered in a light green color. Above the map, there are several colorful dots in shades of pink, green, orange, blue, and purple. The word "Benefits" is written in a large, bold, black sans-serif font to the right of the map.
