Mental Health during COVID-19

NO HEALTH WITHOUT MENTAL HEALTH

Public Health Officer, Emediong from Nigeria led many sessions about Mental Health and Psychosocial Support in collaboration with specialists and experts in the psychiatry and psychology field in order to offer appropriate, accessible and high-quality support to nurses and healthcare workers during the stressful time of COVID19 pandemic.

Stop Stigma against Mental Health is one of the main goals of public health office, because no health without mental health.

For more information about ANNSI-MHPS kindly see the annual report 2020.

“Mental health is not a destination, but a process. It’s about how you drive, not where you’re going.”

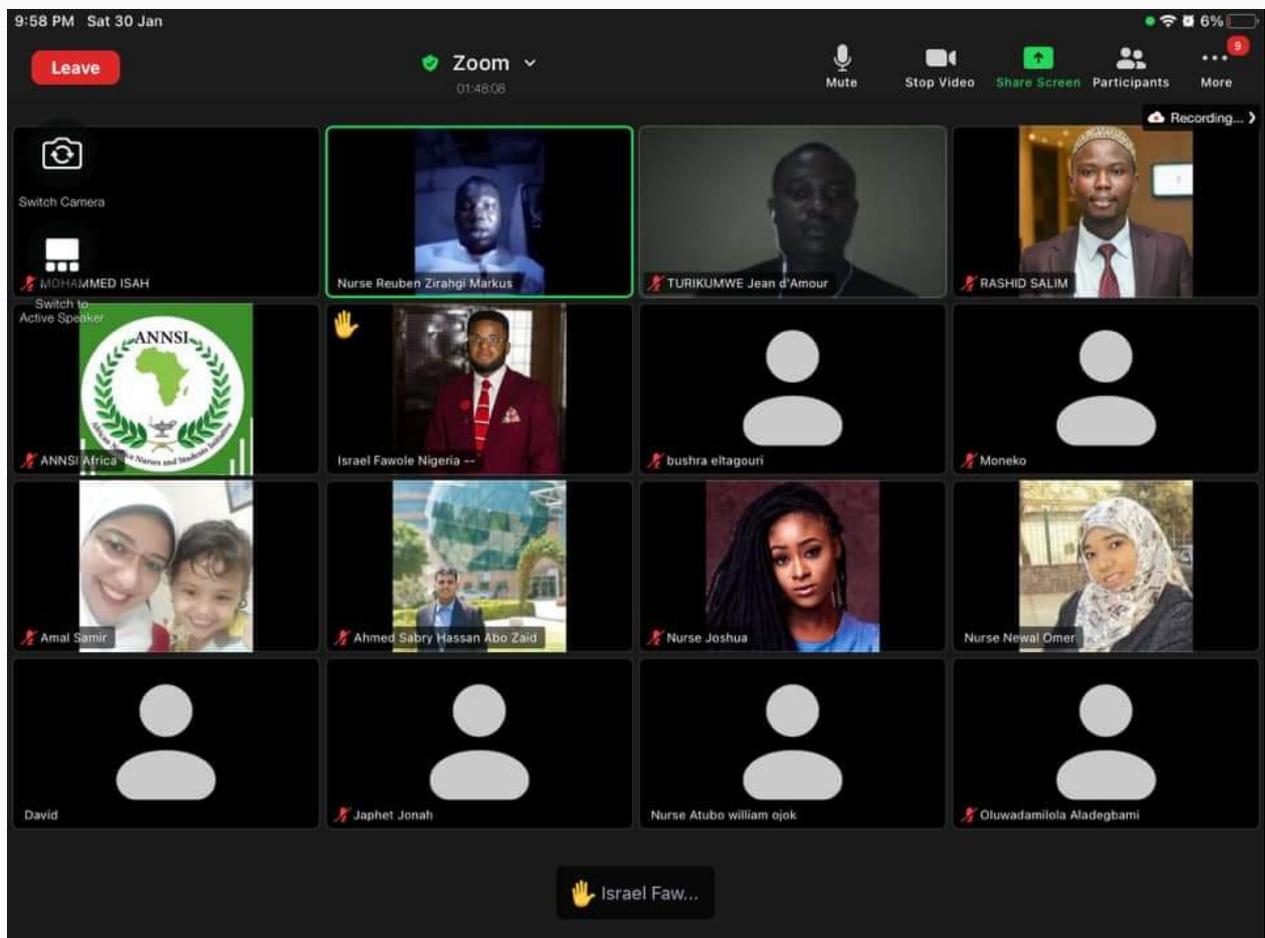

ANNSI Country Members meet together quarterly

PLAN TOGETHER, SUCCESS TOGETHER!

February 2nd, 2021, ANNSI leaders met together to discuss the annual plan and adjust it according to ANNSI mission, vision, and values.

ANNSI Strategic direction 5 years has been prepared in 2018 to guide the directions of the activities up to 2022. ANNSI board of directors is always taking the responsibility to achieve ANNSI plan in collaboration with regional and global partners accordingly.

Talent wins games, but teamwork and intelligence win championships

ANNSI Leaders ready to 2021

SPEAK UP TOGETHER, WORK TOGETHER!

All ANNSI board of Directors and Mentors decided to share their goals with all African Novice Nurses and Students to inspire young nurses and urge them to work together and take the lead.

"Alone we can do so little, together we can do so much."
